Presents

Slayton Twsp, Murray County, MN

Approx. 223 Unimproved Acres M/L of Good Quality Farmland

PUBLIC AUCTION

Tuesday, October 20th, 2009 at 11:00 a.m.

Location: On the farm 1 mile West of Slayton, Minnesota on Highway 30, then 2 miles North on 140th Avenue.

Legal Description: The NW 1/4 except the acreage & the West 1/2 of the NE 1/4 of Section 4, Township 106N & Range 41 West of the 5th PM, Murray County, MN.

General Description: Wow what an opportunity!! Here is a great chance to own a substantial piece of Southern Minnesota farmland. The Frederes families trusts are offering approx. 223 acres m/l of good Murray Co farmground consisting of a mix of cropland with some grass & trees along with the Beaver Creek. It appears to hold not only good crop potential but some recreational value as well. This is extremely hard to find in today's farm fence to fence environment. This would be a great legacy not only to own but to pass down from generation to generation!

The Murray County FSA office shows 155.5 cropland acres, with a combined cornbase of 117 acres with a 99 bu. Direct & CC Yield Index and a combined 38.5 acre soybean base with a 34 bu. Direct & CC Yield Index. The Assessor's & NRCS office shows the gently sloping land to have an average CSR to be in the Mid 60's at about the county average.

In today's farming economy it is hard to add a couple of hundred acres to your operation because the land so seldomly changes hands. Also with all that's going on in the world today, why let someone else handle your money? Put it in what has proven over the years to be more solid than almost anything you can think of & it is always in your contract & not going anywhere. This is a strong marketing area & is a great place to own the most precious of all commodities, "Great American Farmland!!"
