General Description: Unbelievable Opportunity!!! This auction is going to provide one or two forward thinking people who know the great rewards that come from having foresight & seeing potential in future development land a great opportunity. Here are two 80 acre Parcels: Parcel 1 is in the city limits of Le Mars and the 2nd is adjoining parcel 1 directly to the South. With Le Mars' expansion literally right next door to this farm & the new 24th St. Extension running on the North Border; I can't remember the last time such a **Prime Prime** piece of Property was for sale for anyone to buy at Public Auction. With history as our guide, look back and see how wonderfully rewarded the people who in the past had the foresight to purchase land next to the city have been. You now have that very same opportunity with the benefit of history as your guide going forward. **Wonderful Future Development Potential!!!** Parcel One may be divided into four 20 acre parcels without subdividing, according to Plymouth County & City Zoning.

If the development route isn't your thing, look also at the great farmland potential. The Plymouth County FSA Office shows 157.58 Total Farmland Acres, with 156.3 Cropland Acres, with an 84.6 Acre Corn Base with a 100 Bu. Direct C.C. Yield Index & a 71.7 Acre Soybean base with a 34 Bu. Direct & C.C. Yield Index. The Plymouth County NRCS Office & the Assessor's Office show the Main Soil types to be Galva, Radford & a small amount of Ida. The CSR's range from 35 to 72 with a weighted average of approximately 56.9.

All right next to Le Mars.

The property will be sold as choice of Parcel 1 or Parcel 2 or both. In the event both parcels are taken, the auction of the land is over. The parcels will not be combined and sold as one unit.
