Parcel 2: W 1/2 of the SE 1/4 of Section 2, Township 89 N, Range 45 West of the 5th P.M., Woodbury County, Iowa.

General Description: In this offering, 1 or 2 families will have an opportunity to add a substantial amount of land to their holdings. Lowell & Judy are consolidating their cattle feeding & farming operations and are offering these 2 highly productive farms for sale. You will be able to go in and start farming the land right away as soon as the weather permits for the 2009 crop year. Also, Parcel 1 has approximately 30 acres with the buildings and the cattle feedlot. You will not be required to pay for those 30 acres until this fall and Lowell will take out all the infrastructure & haul the manure and chisel the ground for you. When that is completed you will then settle for the balance due on those 30 acres. Parcel 1 also includes a 150' x 60' steel building with 12' side walls and 100,000 bushel storage capacity and a bunker silo of similar size that could possibly be converted as well.

The Woodbury Co. FSA Office shows 339 Farmland Acres, 296.8 Cropland Acres, 189 Acre Corn Base w/a 96 Bushel Direct & C.C. Yield Index, a 93.9 Acre Soybean Base, w/a 36 Bushel Direct & C.C. Yield Index. The Woodbury Co. Assessor & NRCS Offices show the main soil types to be Monona & Judson with small amounts of Ida & Napier-Castana. The CSR's range from 34 to 79 with a weighted average of 62.1. These are 2 very highly productive units that anyone wanting top quality land will be proud to own. These farms also have very high numbers of P & K and other nutrients, which are so important in maximizing your yields in these days of highly competitive farming.

Located conveniently between Kingsley, Merville & Lawton, these farms will prove the value of easy access to top markets.

The property will be sold as Choice of Parcel 1 or Parcel 2 or both. In the event both parcels are taken, the auction of the land is over. The Parcels will not be combined & sold as one unit.
