Sioux County, Iowa

**Method of Sale:** The property will be sold with the high bidder having their choice of Tract 1, Tract 2, Tract 3, or any combination. In the event all tracts are taken after the first round, the auction will be over. In the event only 1 or 2 of the tracts are taken, the remaining tracts will be offered and sold as choice once again. In order to buy the whole farm you must be the high bidder.

**General Description:** In the offering is an outstanding opportunity to buy some great Sioux County farmland. By being offered in 3 tracts you will have the opportunity to purchase from 70 acres all the way up to 290 acres; whatever fits your program. These tracts offer great diversity in operations & flexibility in marketing strategies. Tract 1 & 2 are mainly suited for row crop production & Tract 3 is a combination of cropland & some pasture if you would like to run cattle. In the event you wanted more cropland, a lot of the pasture could be farmed.

The Sioux County FSA office shows 221.9 Cropland Acres, with a 151 acre corn base with a 101 bu. direct & CC yield index, with a 70.2 acre soybean base with a 30 bu. direct & CC Yield Index. The Sioux County NRCS & Assessor's office show the main soil types to be Ida, Colo, Judson, & Galva with a small amount of Kennebec & Radford. With these high indexing soils the farm carries a weighted CSR average of approximately 58.7.

"With today's values being so strong and opportunities so limited this farm located only minutes from Hawarden, Craig, Ireton with their great marketing facilities gives maximum efficiency to your grain marketing. This is also a strong livestock feeding area, so they will add value to your operation as well. It is so hard to find good quality land today & so important to your future and your family's that you will want to strongly consider this land in part or as a whole. If history has shown us anything it's that when something close by comes up for sale the successful, forward-looking families buy it because they know that those chances don't come along very often and they don't want to drive by every day for decades and say "I wish I would have!!" See you at the auction & Best of Luck to All."
